

DIAN  
Professional  
Series

A Community Business Initiative

## DIAN Professional Series

brings a programme of world class training workshops, delivered in partnership with leading D&I experts and consultants.

With sessions addressing a range of D&I related subjects, designed for different audiences and delivered in markets across the region, members can now engage a broad range of stakeholders, upskill their organisation and increase the impact of their D&I efforts.

# DIAN Professional Series 2018 Full Programme at a Glance
